

Renaissance Portfolio

At the end of this unit, the members of your group will be responsible for producing a portfolio that contains all of the activities you completed as part of the Renaissance unit. Your grade will be determined by a) the number of florins you accumulate; b) your use of class time; c) your creativity; d) the accuracy of information provided; e) and, how you work collaboratively to complete this project.

THEREFORE... IT IS YOUR RESPONSIBILITY TO KEEP EVERYTHING YOU DO SAFE AND FROM BEING MANGLED! Have a great time in the Renaissance!

The following check list will help you keep track of florins and organize your Renaissance Portfolio. Use this list to organize your activities in order in your final product. ****means an activity is required.** YOUR GROUP MUST COMPLETE AT LEAST ONE OTHER ACTIVITY PER CATEGORY (except the final category – World Travelers). Each activity is worth 10 florins. Label each activity you individually complete with YOUR name in the bottom right hand corner.

After completing a number of activities, you may choose to complete a Free Choice for any workshop as long as you have already met the requirements listed above. Include an explanation of the activity you design.

For each piece of art include: the name of the artist, the name of the artwork, and the date it was made.
